*The atmosphere of Glory!*

Father of Spirits loves and inspired it! Music has a mystical essence to it; in actual fact, its root word “muse” connotes a source of inspiration as the guiding genius. Mythology claimed that there were nine goddesses presiding over song and poetry.

So what is this spiritual essence that we know as music and how does it’s spiritual qualities relate to us today? Didn’t satan the devil lead worship services in heaven? Therefore, doesn’t music have a negative connotation in the spritural realm?

### **Getting into the Proper Perspective!**

Without viewing anything in the proper perspective you can easily get lost. Let’s get the proper perspective through a story before we start this Bible Study: Two angels at creation were marveling at the wonderful things that were being created through God’s creative speaking power! The angels marveled as Job 38:7 teaches, “the morning stars **sang together**, and **all the sons of God shouted for joy!**” *Back-to-story*, one of the angels turned to the other and said, “I am having a hard time with this physical creation thing!” The other angel asked, “So what is the problem?” The first angel said, “How can something you actually touch and see be real?”

We are eternal cosmic beings experiencing merely a temporary physical human existence! We must learn to perceive the real, spiritual things!

Our goal tonight is to see past this physical realm and look into the Spiritual World, we will explore a passage into the heavenly realm that is provided through the pattern for praise and worship. Let’s start by reading portions of Isaiah chapter six! We must realize that there are things on this earth that have been patterned, as they exist in the heavenlies, “And the temple of God was opened in heaven, and there was seen in his temple the ark of his testament” (Rev 11:19)! Moses was told to fashion the tabernacle menorah and other implements as he had seen in his heavenly vision, “And this work of the candlestick was of beaten gold, unto the shaft thereof, unto the flowers thereof, was beaten work: **according unto the pattern** which the LORD had shewed Moses, so he made the candlestick” (Num 8:4).

Beyond implements, the prophet Isaiah had a chance to experience a pattern of heavenly worship, “I saw also the Lord sitting upon a throne, high and lifted up, and his train filled the temple. 2 Above it stood the seraphims: each one had six wings; with twain he covered his face, and with twain he covered his feet, and with twain he did fly. 3 And one cried

# On Earth as it is in Heaven

*The atmosphere of Glory!*

unto another, and said, Holy, holy, holy, is the LORD of hosts: the whole earth is full of his glory” (Isa 6:1-3). The last part of the passage verse three is written in the Hebrew imperative tense or better known as the mandate tense. It could be called the “must be” tense! It reads more closely to the original Hebrew as, “and one creature cried with intense passion before the face of another creature, crying, Holy, holy, holy, the LORD of hosts: the whole earth **must be made to be filled with his glory.**” This was spoken with such passionate and intense focus and heartfelt ness that structural damage to the building actually took place! Notice verse four, Isa 6:4 “And the posts of the door moved at the voice of him that cried, and the house was filled with smoke (*a type of the glory of god.*)” We discover that the angels were marveling at the things that they were seeing as they circled around the throne of God. Get the picture of these angels, they were witnessing entirely new things from their current perspectives; they continually saw incredible things of God that they had never before observed! More on this concept a little later . . .

Then Isaiah realized something awesome! He had just witnessed the power of the pattern of worship which takes place around the Heavenly Throne! He immediately recognized that this was so far beyond the worship that takes place on the earth. Isaiah continued Isa 6:5 “Then said I, Woe is me! for I am undone; because I am a man of unclean lips, and I dwell in the midst of a people of unclean lips: (*It is impossible for we humans to speak of the Glory of God!*) for mine eyes have seen the King, the LORD of hosts.” Next notice a shadow of the ministry of Jesus in the sixth chapter of Isaiah “ 6 Then flew one of the seraphims unto me, having a live coal in his hand, which he had taken with the tongs from off the altar (*By the way, the angel took the coal using tongs because he was not allowed to handle the **fire of God** with his hands as it applies to the Sons of God!*): 7 And he laid it upon my mouth, and said, Lo, this hath touched thy lips; and thine iniquity is taken away (*notice that this is a type of the cleansing ministry that Jesus would perform for mankind!*), **and thy sin purged.** 8 Also **I heard the voice of the Lord**, saying, (*Please realize at this point that once sin is dealt with, the voice of the Lord returns to a human!*) Whom shall I send, and who will go for us (“us” is the Triad God – Father, Son and Holy Ghost)? Then said I, Here am I; send me” (Isa 6:6-8)! We have all heard this verse generally used with regard to missions and serving God; however, Isaiah is actually telling God in the Hebrew language something much greater! He says, “I will be your birth canal; I will be your conduit between heaven and earth!” He had in a very literal sense, experienced this awesome heavenly worship; and, he wanted to bear witness of it on the earth! He had seen something awesome in the heavens – “**On Earth as it is in Heaven!**” He told God, “Flow through me Lord. Let me be anointed to bear witness what I saw in Heaven.”

Say to each other three times, “Holy, Holy, Holy is the LORD God, Almighty!”

“And one **cried unto another** (*notice that these angels are not crying to the Lord; rather they are crying to each other*), and said, Holy, holy, holy, is the LORD of hosts: the whole earth is full of his glory” (Isa 6:1-3). These angels have been creating a glorious atmosphere as they cry aloud to one another about the character and awesome facets of God that they are witnessing! They have been doing this since their creation! They are still there; creating a spiritual crossfire! They are crying to each other, “You wait until you get over here to see what I have just seen.” The other answered, “That is nothing! You

# On Earth as it is in Heaven

*The atmosphere of Glory!*

wait until you get over here had see what I have just witnessed. It is awesome beyond words!" There are millions of these angels performing this Glory-producing

activity!

Why did God create the heavenly hosts? God created the angels so that they would fashion an atmosphere of glory between their faces. Now get this point, "Glory" is the atmosphere of the spiritual realm as "air" is the atmosphere of the earthly realm. God has His own onboard Glory but He wanted a **Glorious Spiritual** atmosphere for Him to step into. God stepped into that atmosphere of glory where He was about to initiate creation! As the "WORD" stepped into that Glorious atmosphere, the Holy Spirit was fluttering (*brooding as the KJV puts it in Gen 1:2*) over the deep anticipating the next move. The "WORD" then spoke, "Let there be!" The Holy Spirit took those expressions from the "WORD" and created hard copy!

When we open our mouths to praise and worship God we are creating more than just vocal sounds! When we say "Hallelujah" we are saying more than just the syllables which mean "Praise the Lord!" That specific word "Hallelujah" comes from two Hebrew words "Hallel" – meaning on the surface to command praise of the Most High God; however, below the surface there are and about 13 other little variances in sub-meaning, such as "complete and utter light exploding in the face of complete and utter darkness!" Those meanings in Hebrew, added to the word "Jah" is God's name "I am that I am!" So when you say, "Hallelujah" you are literally saying, "Light be! And darkness flee!" God is the one that started this whole concept of words containing power! "Hallelujah!" Is actually a message of confession filled with faith in an atmosphere of GLORY! Any atmosphere worth stepping into **must be charged with the presence of God!** When we worship and praise God we are creating an atmosphere of glorious substance! Just as air is the atmosphere in our earthly realm, glory is the tangible atmosphere in the heavenly spiritual realm! "**How can something you touch and see be real?**" As the angel said. Do we really get it? Notice that your breath "that which came from God and was given to Adam" is the atmosphere of this earth! Breath and the Holy Spirit are complementary concepts in the eyes of God!

When we Praise the LORD that means that we witness that we are aware of what God has actually performed! Notice that Israel's praise at one specific time was composed of:

- The rider was cast into the sea;
- Egypt's army was drowned;
- We did eat Manna from heaven;
- We were led by the Pillar of fire by night and the Cloud by day.

When we praise the LORD; it means that we have experienced and are more aware of the quality of his Love! "For God so loved the world that he gave!" That quality of love needs to be worshipped and praised! As we become more aware of this truth we begin to worship God!

Next, when we get into the Glory of God, we become aware of his Holiness! This should begin to shed some light on the concept brought out by the psalmist, "**But thou art holy, O thou that inhabitest (*lives within*) the praises of Israel**" (Ps 22:3). God inhabits (*lives within*

# On Earth as it is in Heaven

*The atmosphere of Glory!*

and walks upon) the “**Holy, Holy, Holy**” of his people! The very power of God is manifest within our praises of HIM! **Praise is the doorway!** Do you get it; God’s power actually shows up right on the scene when we praise Him!

As we collectively praise the LORD, a powerful spiritual atmospheric spirit of worship will build up and finally manifest itself. Then, as we begin to yield ourselves to the spirit of worship, the Glory of God shows up! At that point we just let God be God! Whenever God shows-up He speaks to us and gives us revelation! Whenever you are wondering what you should be doing regarding anything simply go to God and praise Him, He will ultimately show-up and give you inspiration (*God’s breath*) and revelation! As God works in us all we need to do is become pliable to the Holy Spirit or the breath that God give to us!

Have you ever wondered about that deep hole left by the World Trade Center? I think it is about 6 to 8 stories deep; it is called the tub. Have you realized yet that the foundation of those massive buildings was not disturbed! The builders of the WTC took almost as much time going below the surface of the buildings as they did going above the surface. God likewise works in you as he builds you up! He will spend a lot of time building your spiritual foundation through experience and resulting character, before you begin to see the structure of your spiritual life rise above surface. Jesus Christ took thirty years in development His three and one-half year ministry! It is worth waiting to eat the cake even though when you begin to smell it, while in the oven, you get desirous of its manifestation! Spiritual things in our individual lives never pass us by, they will just get more ripe for the picking and their eventual harvest.

We need to become acquainted with the spiritual world in order to see into that invisible realm! We can look at something with our eyes; yet we should become acquainted with seeing something beyond the mere obviously physical! As we become familiar with the spiritual we will begin to see the realm that lurks behind the physical. God has at times removed the veil between the physical and the spiritual realms, “And he answered, Fear not: for they that be with us are more than they that be with them. And Elisha prayed, and said, LORD, I pray thee, **open his eyes, that he may see. And the LORD opened the eyes of the young man;** and ***he saw***: and, behold, the mountain was full of horses and chariots of fire round about Elisha” (2 Kings 6:16-17). That spiritual realm is actually more real than anything in our physical realm. Elisha’s eyes had been opened to see the spiritual realm! He got this vision through receiving the mantle of Elijah! Elijah told Elisha, that ***if he would see the spiritual realm***, then he would be able to have his desire! Let’s follow the story, “And Elijah took his mantle, and wrapped it together, and smote the waters, and they were divided hither and thither, so that they two went over on dry ground. And it came to pass, when they were gone over, that Elijah said unto Elisha, Ask what I shall do for thee, before I be taken away from thee. And Elisha said, I pray thee, let a double portion of thy spirit be upon me. And he said, Thou hast asked a hard thing: nevertheless, **if thou see me when I am taken from thee, it shall be so unto thee**; but if not, it shall not be so. And it came to pass, as they still went on, and talked, that, behold, ***there appeared a chariot of fire, and horses of fire***, and parted them both asunder; and Elijah went up by a whirlwind into heaven. And ***Elisha saw it***, and he cried, My father, my father, the chariot of Israel,

# On Earth as it is in Heaven

*The atmosphere of Glory!*

and the horsemen thereof. And he saw him no more: and he took hold of his own clothes, and rent them (*Notice that Elisha got rid of and even destroyed his own clothes!*

*What does that represent to you?)* in two pieces. He took up also the mantle of Elijah that fell from him, and went back, and stood by the bank of Jordan; And he took the mantle of Elijah that fell from him, and smote the waters, and said, Where is the LORD God of Elijah? and when he also had smitten the waters, they parted hither and thither: and Elisha went over. And when the sons of the prophets which were to view at Jericho saw him, they said, The spirit of Elijah doth rest on Elisha. And they came to meet him, and bowed themselves to the ground before him" (2 Kings 2:7-15). Let's make some distinctions here. Elisha actually saw the spiritual horses and the chariot of God! The point is that we can never get the mantle until we see beyond the physical! And, we are seeking after that mantle! What we actually want is that **anointing of God**, "And the LORD spake unto Aaron, Behold, I also have given thee the charge of mine heave offerings of all the hallowed things of the children of Israel; **unto thee have I given them by reason of the anointing**, and to thy sons, by an ordinance for ever" (Num 18:8). The anointing is "the tangible manifestation of the presence of God!" Say it out loud, "The anointing is the tangible manifestation of the presence of God!" We must never forget this! This world is expressed only through faith, "Now faith is the substance of things hoped for, the **evidence of things not seen**" (Heb 11:1). We humans like the angels actually create a magnificent spiritual atmosphere called "Glory" through our praise! Remember that (Isa 6:3) is written in the Hebrew imperative tense or the "must be" tense and should be rendered as "and one creature cried with intense passion before the face of another creature, crying, Holy, holy, holy, the LORD of hosts: **the whole earth must be made to be filled with his glory.**"

When we physically enter into worship services, the Holy Spirit leads us to pray and lay hold of spiritual things as the place begins to be filled with God's glory. We do not just go into worship services and lay hold of spiritual understanding and His promises until we have been singing and filling the place with the Glory of God!

You may or may not know that every Hebrew and Greek letter is also a numeral. What you probably do not realize is that both the Hebrew and Greek languages exhibit numerical coefficient linkages between words that share similar ideas and concepts. For example the Hebrew words "voice" and "ladder" both share a common numerical value. Whenever numbers share a numerical value then those two words are related in some fashion! Take the passage regarding Jacob's ladder, "behold a **ladder** set up on the earth, and the top of it reached to heaven: and behold the angels of God ascending and descending on it" (Gen 28:12). The Hebrew word for "ladder" is "*sulam*" and it has a numerical value of 136. Likewise, let's take the passage, "they heard the **voice** of the LORD God walking in the garden in the cool of the day" (Gen 3:8). The Hebrew word for "voice" is "*qowl*" and it has a numerical value of 136. Therefore these two Hebrew words translated into the English words "voice" and "ladder" are connected to one another. From this we learn that God is absolutely and mathematically perfect! Simply because they produce the same numerical value they share related concepts. In literal numeric perfection the **voice** is a **ladder** of ascent unto the LORD! God did not "think" the world into existence He used

# On Earth as it is in Heaven

*The atmosphere of Glory!*

His voice when He said, “let there be.” The spiritual realm used faith to produce our physical reality. Some will probably ask how can you speak things into existence!

There was a new scientific discovery in recent years, which rather shook up the scientific world. They had been aware of the circular nature of planets, stars and galaxies on the macro scale as well as the circular nature of protons neutrons and electrons in the microenvironment. This circle in a circle or wheel within a wheel motif was replete in the

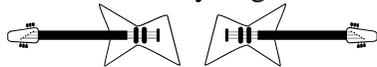

cyclical atoms and planetary movement **A** . On the other hand there was a “spiral

like” or galaxy structure in  the universe! The Christian world was not surprised by either of these structures for scripture has revealed that, “The angel of the LORD encampeth **round about** them that fear him” (Ps 34:7); the scriptures teach that God, “It is he that sitteth upon the circle of the earth, and the inhabitants thereof are as grasshoppers; that stretcheth out the heavens as a curtain, and spreadeth them out as a tent to dwell in” (Isa 40:22). The scriptures agree with the circular & spiral concepts of creation.

However, theoretical physicists discovered in the last few decades something outside of this circular structure! They found a subatomic particle, meaning something smaller than

the atom **A** ! This newly discovered particle called a neutrino acted more like a wave

— and not like the cyclical or spiral structures elsewhere observed! These neutrino’s are so small that they actually pass through atoms in a wave pattern and they are so small that they do not disturb the atom! These neutrinos actually look like physical sound waves. When you get two instruments that are in tune with each other like two guitars

, if you pluck the string on one guitar the corresponding string of the other guitar will begin to resonate or produce the same audible sound which came

from the first instrument! This takes place just because of the waves — are syntonic,

which means that they are in tune with each other! Sound waves look like what we have observed in the neutrino. In the same fashion as syntonic guitars, when two humans speak in agreement with one another they are creating a gloriously tuned atmosphere, “Can two walk together, except they be agreed?” (Amos 3:3). There is an actual power generated in the agreement between believers, “if two of you shall agree on earth as touching any thing that they shall ask, **it shall be done**” (Matt 18:19). Any agreement between believers with what God has already spoken through His word is **impossible to stop!** Just like the angelic

# On Earth as it is in Heaven

*The atmosphere of Glory!*

realm, we are actually, **Glory Producers!** We need to “forsake not the assembling of ourselves together!” When we create the proper glory, God **will** manifest Himself in the midst, “For where two or three are gathered together in my name, **there am I in the midst of them**” (Matt 18:20). Even when we speak of God, He manifests Himself, “Then they that feared the LORD **spake often one to another**: and the LORD **hearkened, and heard it**, and a book of remembrance was written before him for them that feared the LORD, and that **thought upon his name**” (Mal 3:16). We read in that same passage that these people actually became God’s choicest jewels! The Psalmist teaches us, “I will bless the LORD at all times: **his praise shall continually be in my mouth** . . . O **magnify** (make larger than other things) **the LORD with me**, and **let us exalt his name together** (notice the togetherness or agreement)” (Ps 34:1&3). When we meet we can actually experience God’s spiritual Glory into our midst! When create that spiritual realm, we are become more and more acquainted with the spiritual world.

Now imagine Moses who had observed God’s awesome power throughout his own life! He saw that God performed special works just in his own life:

- Supernaturally preserved when he was a baby;
- Moses was preserved by Pharaoh’s daughter who had the desire for a baby;
- God guided the ark basked of Moses to Pharaoh’s daughter;
- Moses’ own mother breast fed him as an infant;
- Moses felt a calling to free his people and was cast into the wilderness for 40 years;
- Through God, Moses split the ocean and led the people through on dry ground.

Moses personally witnessed all of these wonderful miraculous effects in his own life. At this point Moses was so close to God that he just wanted to see the Glory of God! So Moses asked, “And he said, I beseech thee, **shew me thy glory**. And he said, I will make all my goodness pass before thee, and I will proclaim the name of the LORD before thee; and will be gracious to whom I will be gracious, and will shew mercy on whom I will shew mercy. And he said, Thou canst not see my face: for there shall no man see me, and live.

And the LORD said, Behold, there is a place by me, and thou shalt stand upon a rock: And it shall come to pass, while my glory passeth by, that I will put thee in a clift of the rock, and will cover thee with my hand while I pass by: And I will take away mine hand, and thou shalt see my **back** (*hinder*) **parts**: but my face shall not be seen” (Ex 33:18-23). Now get this very interesting point about the word (*hinder*) it simply means “history” or what went before! We read the word “*achowr*” (aw-khore’); meaning “the hinder part,” hence the adverb “behind!” We read in the psalms, “Who among you will give ear to this? who will hearken and hear for **the time to come** (*achowr*)” (Isa 42:23). The meaning of this verse is clearer when read from the Living Bible, “Won’t even one of you apply these lessons from the past and see the ruin that awaits you up ahead?” TLB.

We discover that God showed Moses his “hinder parts” or more clearly the past history; also, as we have seen, Moses saw heavenly things as he beheld God’s Glory! We learn that Moses saw history when he saw God’s Glory! This includes things that were placed in the tabernacle like the Menorah and the Ark of the Covenant! Who knows what was on top of the Ark of the Covenant? Please describe what it looks like to others.

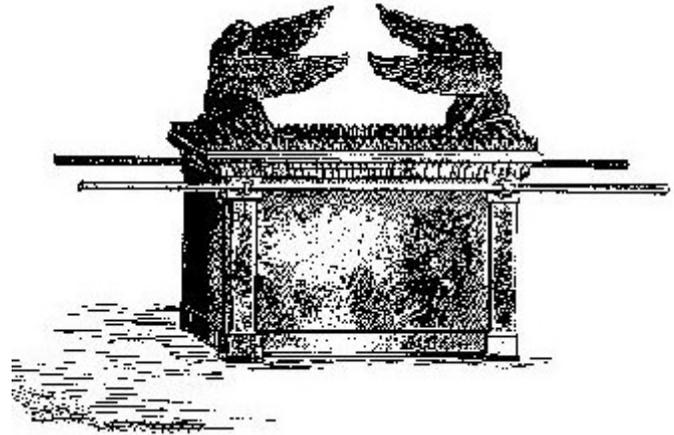

# On Earth as it is in Heaven

*The atmosphere of Glory!*

The Glory of God dwelt between the cherubim, “when Moses was gone into the tabernacle of the congregation to speak with him, then **he heard the voice of one speaking unto him from off the mercy seat that was upon the ark of testimony, from between the two cherubims:** and he spake unto him!” (Num 7:89). Moses had earlier been trained on how to fashion that glorious place, “And thou shalt make two cherubims of gold, of beaten work shalt thou make them, in the two ends of the mercy seat” (Ex 25:18).

We (*the Church of the Living God*) are a living organism! We are the human Glory Producers! It may be that the neutrinos, which particle physicists have discovered, are the actual words of God are still resonating throughout the universe. Hebrews teaches us that this indeed may be the case, “Who (*Christ*) being the brightness of his glory, and the express image of his person, and **upholding all things by the word of his power**” (Heb 1:3); Jesus upholds things through his WORD! The book of Colossians teaches this concept more clearly, “And he is before all things, and by him all things consist” (Col 1:17). Jesus’ word holds things together! It is like cement! The words of agreement that we humans speak are very strong in power; they are like cement! Our words of agreement hold things together!

On the other hand, disagreement, disharmony, disfunction is very destructive! That is exactly what happened to satan! His chief goal is to get us together (*Face to face – get the picture?*) so that we start speaking words of disharmony! He knows how powerful those words are to create destruction! Division and disagreement create anti-Glory! Any time that this negative form of communication shows up, the devil, who wants to be like God, steps into the middle and speaks a word of destruction! Do you see what satan is up to?

**Do what ever is needed, that you remain in unity with your brother!**

We need to live above offense! Then whenever any of us have a problem, all we need to do is put the problem between the crossfire!

Ezekiel saw angels they were the wheels within the wheel! When we become acquainted with that spiritual world we begin to experience the spiritual realm! Once we are in that realm where angels and heavenly beings exist, we begin to lose interest in the physical realm! Soon thereafter, people begin to tell us that we are crazy! However, in reality, only fools stay in the mundane (“*mundo*” of the earth).

Have you experienced things in that other world? Ask Jonathan Edwards if he has! His powers are scriptural, “And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh” (Acts 2:17). God gives the gifts, “every good gift and every perfect gift is from above, and cometh down from the Father of lights.” However, God does not ever take the gifts back, “For the gifts and calling of God are without repentance” (Rom 11:29). Those that use God’s gifts to glorify the demonic realm have learned to

# On Earth as it is in Heaven

*The atmosphere of Glory!*

communicate with a network of demons operating in the fallen spiritual world! You don't need to fear them because greater is he that is in you!

The world around us loves that spiritual world but only when it involves the demonic realm! On the other hand, when we (*Christians*) get into to the heavenly realm, they make fun of us! Fortunetellers and Tarot card readers experience that other realm yet no one makes fun of them! Witches and Warlocks talk to demons all of the time! You'd better get prepared for it, that other spiritual realm does exist! We have chosen to live and operate within the realm of the Holy Spirit!

When we come into that heavenly realm we must be careful concerning how we enter into that place! Let's notice what we learn from Ruth, "Wash thyself therefore, and anoint thee, and put thy raiment upon thee, and get thee down to the floor" (Ruth 3:3). (1) We must wash ourselves in the blood of the lamb; (2) next we must put on our raiment (spiritual armour); finally, (3) we must get down on our faces! We are protected when we are low! At this point we are in the spiritual realm!

Christ (*the Anointed and his anointing*) made it possible for (*Christ*)ians to experience spiritual success! We get the anointing from Jesus Christ (*the anointed one*)! Through worship, spiritual realities become manifest! When we accomplish this form of worship, the yoke is broken off of us, "And it shall come to pass in that day, that his burden shall be taken away from off thy shoulder, and *his (satan's) yoke from off thy neck*, and the yoke shall be destroyed **because of the anointing**" (Isa 10:27). Everything that held us in the past can remain there on the floor, if we will but leave it there! The Holy Oil (*anointing*) of God solves everyting! Let's notice a story about God's Holy Oil, "Now there cried a certain woman of the wives of the sons of the prophets unto Elisha, saying, Thy servant my husband is dead (*He may well have been killed by Jezebel*); and thou knowest that thy servant did fear the LORD: and the creditor is come to take unto him my two sons to be bondmen. And Elisha said unto her, What shall I do for thee? tell me, what hast thou in the house? And she said, Thine handmaid hath **not any thing in the house, save a pot of oil**. Then he said, Go, borrow thee vessels abroad of all thy neighbours, even empty vessels; borrow not a few. And when thou art come in, thou shalt shut the door upon thee and upon thy sons, and shalt pour out into all those vessels, and thou shalt set aside that which is full. So she went from him, and shut the door upon her and upon her sons, who brought the vessels to her; and she poured out. And it came to pass, when the vessels were full, that she said unto her son, Bring me yet a vessel. And he said unto her, There is not a vessel more. And the oil stayed" (2 Kings 4:1-6). Everything is solved through the anointing!
